

# Exploring the World Through Labyrinths

MEPI Hands for Peace Conference 2012

Find labyrinths using the resource materials provided to match the descriptions below. Search for locations, dates, classifications, and other interesting information.

Public park	In England	Made of wood	Health care setting	In the United States
Older than 100 years old	Built within the last two years	The most unusual one	In a school	In France
A cartoon character	In a field	In Africa	Made of sand	In the state where one of your grandparents was born
Classical style	One that you think is beautiful	In a prison	In South America	In Asia
At a university	Constructed of wood	Older than 1,000 years old	In a private setting	At a retreat center

Lasting Labyrinths

Custom designed labyrinths and workshops for environments and experiences that will last a lifetime...
