

The labyrinth of life and death - Saturn labyrinth

element: earth **colour:** black, darkblue, blue **direction:** west

natural form: receptive, three outer paths, central spiral, three inner paths, and a centre
affects: spirituality, sorrow, reliability, permanence, longevity, death, old age, loss, limitations, hard work, separation, slowness, chronic illnesses, earth matters (ore) and real estate (land, not structures)
receptive form encourages: persistence, obligingness, simplicity, modesty, endurance, fidelity and depth
expressive form eliminates: lowness, selfishness, insensitivity, pettiness, simple-mindedness, obtuseness, laziness, irresponsibility, inconsideration, dishonesty, malice, equanimity, and depravation

Rahu Labyrinth - the labyrinth of transformation

element: none **colour:** brown, black **direction:** southwest

natural form: only one, receptive and expressive simultaneously, seven paths without a centre
natural movement: receptive
affects: transformations and all forms of changes, passion, connection, inconstancy, harshness, violence, unexpected events, confusion, tragedies, and psychological disorders
receptive movement encourages: expansion of mind and vision, mobility, quick comprehension, quick ascent, relentlessness, intelligence
expressive movement eliminates: destructiveness, separation, uncalled-for rebelliousness, fanaticism, strangeness (being "offbeat"), inconstancy, concealment, mind blurriness, impatience, accusation, and relinquishing

The labyrinth of freedom - Ketu labyrinth

element: none **colour:** colour of smoke, grey
direction: southwest; however, paired up with the labyrinth of transformation – northeast

natural form: only one, receptive and expressive simultaneously, seven paths without a centre
natural movement: expressive
affects: liberation from karma, spiritual insights, secrecy, fall, mathematical abilities, unexpected events, enemies, spies, injuries, venoms and cures
expressive movement encourages: leadership, accuracy, speed, acuteness, logicity, intelligence, freedom, and discretion
receptive movement eliminates: destructiveness, unease, restlessness, unnecessary mysteriousness, panic, terror and fear, morbidity, abnormality, decadent and tainted spirit and body

An Introduction to the Celestial Labyrinths

An introduction to the labyrinths from the City of Celestial Labyrinths
And the book *Labyrinths and their Secrets* by Adrian P. Kezele
